## **About *Urinetown, the Musical***

Winner of numerous awards including three Tony Awards and two Obie Awards, *Urinetown* is a funny musical satire set in the near future of a near dystopic city of the same name. It skewers everything from populism and politics to corporate greed and social irresponsibility – and even musical theatre itself. Inspired by the works of Brecht and Weill, *Urinetown, the Musical* is an irreverently humorous theatrical event which will have audiences laughing while reflecting on the message being conveyed.
