- Tompkins Builders and their seven major subcontractors are looking for firms that have been in business three or more years. Many trades require bonding in excess of \$100,000. Suppliers must be able to demonstrate that they can supply large quantities of items, on time. They prefer firms who will self-perform on these contracts.
- Responses to the registration survey will be used to match firms with Tompkins Builders and its major subcontractors.
- At this time, these firms are looking for businesses in fields such as: Audio-Visual, Ceramic Tile, Concrete Work, Electrical, Excavation / Backfill / Hauling, Fireproofing / Fire Suppression Systems, Flooring, General Construction (Drywall, Carpentry), Glasswork, Information Technology, Interior Accessories (i.e. Acoustical Wall Treatments), Landscaping, Mechanical / HVAC / Utilities, Metal Fabrication / Sheetmetal, Painting, Paving, Plumbing, Signage, Suppliers (Hardware, Plumbing, Equipment, Dock Equipment), Trailer Cleaning Services, and more.
- ***Only firms that register by May 21, 2008, will be considered for matching with Tompkins Builders and its major subcontractors.**
- You can view the companies' websites: Tompkins Builders, www.tompkinsbuilders.com; Gill-Simpson, www.gill-simpson.com; Bell BCI, www.thebellcompany.com; Benham Companies, www.benham.com; Johnson Controls, www.johnsoncontrols.com; Shockey Precast Group, www.shockeyprecast.com.
