Name a Seat, Make a Difference.

Harford Community College's campaign to benefit the renovated Susquehanna Center

The best seat in the house is the one with your name on it.

Right there. On the edge of the seat. Prime location. *Your name*. Showing *your* support. Now *that* is how you make a difference!

A \$100 charitable donation gives you the opportunity to play a pivotal role in building the state-of-the-art APG Federal Credit Union Arena at Harford Community College. The **Name a Seat, Make a Difference** campaign allows you to engrave your name—or that of a family member, coach, professor or business—on a brushed nickel plaque affixed to the arm of one of 1,200 seats in the new arena. For as long as the seat remains in the arena, your support will be apparent to all who sit in that seat.*

Home to the Harford Fighting Owls basketball and volleyball teams, the arena is ideally suited for concerts, athletic events, commencements, convocations and conferences. It will be the largest indoor venue in Northeastern Maryland, bringing together people from the College, county and the entire region.

Funds raised from the **Name a Seat, Make a Difference** campaign will be used to support the
Susquehanna Center through programming,
operations, equipment and technology.

When renovations are completed in August 2012, the original facility, opened in 1968, will double in size and provide increased opportunities for fitness as well as health and physical education classes.

Renovation highlights include a larger fitness center; modernized pool; multipurpose gymnasium; 50,580 additional square feet; up-to-date learning technologies; instruction, meeting, and community use space; specific rooms for dance, group fitness, and other physical activities; and the addition of the APG Federal Credit Union Arena at Harford Community College, with fixed seating for 2,500 and 3,300 with floor seating.

Contact Denise Dregier, ddregier@harford.edu or Brenda Morrison, bmorrison@harford.edu to learn more about other naming opportunities available at the Susquehanna Center.
