

The following outlines course requirements for the RN to BSN program at Frostburg State University. The top portion of the chart indicates the courses required for the A.S. degree in nursing from Harford Community College and the course equivalency at the receiving institution. The lower portion of the chart reflects additional prerequisite requirements at the receiving institution and the HCC course equivalency. This chart is intended to show only the basic course requirements for the major and does not include the nursing courses required for the A.S. degree in nursing from HCC or the upper-level degree requirements of the receiving institution. Be sure to contact the four-year institution for additional admission requirements.

<b>HARFORD COMMUNITY COLLEGE to FROSTBURG STATE UNIVERSITY</b>

<b>Total:</b>	<b>13</b>		<b>16</b>	

\* A grade of C or better must be earned in these courses.

\*\* These courses are prerequisites for all upper division nursing courses.

\*\*\*Some courses may be satisfied at HCC, while others must be completed at FSU.

<sup>°</sup>Courses satisfy both general education and pre-requisite requirements for the RN to BSN program at FSU.

<sup>°°</sup> Course must be completed at FSU or another four-year college at the upper-division level with a grade of C or better. Eligible courses at FSU are ENGL 308, 338, or 339.

**More on the RN to BSN at Frostburg State University:**

The total number of credits (in addition to HCC requirements for the RN degree) that must be completed is sixteen (16). Thirty to fifty-five (30-55) community college credits will be accepted in transfer. No community college nursing credits will be transferred. Thirty-five to sixty (35-60) credit hours are required at Frostburg State University. A minimum total of 120 credit hours are required for program completion.
