

Choose your adventure.

Welcome to Camp Curiosity!

We are pleased your camper will join us this summer for our programs that reflect emerging interests, such as Minecraft, ROBLOX, and digital animation. We've also added an assortment of academic evening camps in a variety of fun subjects. From delicious food creations, creative art projects, to outdoor adventures, Camp Curiosity offers something for everyone.

The College continues to offer high quality instruction for our Summer Camp Programs. Many of our talented instructors are HCC faculty or HCPS teachers. Your camper's experience is guaranteed to be both tons of fun and memorable.

This catalog will assist you in understanding our Summer Camp offerings. Please also review our Parent/Guardian Handbook for camp-specific policies and procedures and do not hesitate to contact us with questions.

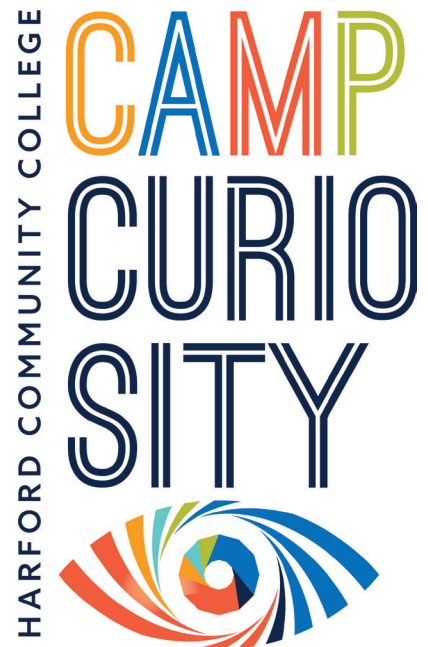

Best,

Kelly Pulaski

Camp Information

ENROLLMENT

All campers are required to enroll online via our online Registration Portal, Camp Minder in order to attend camp. Campers may enroll into a camp up to the Tuesday before the camp's scheduled start date, if space is available. Parents/guardians must complete all enrollment paperwork online before camp begins in order for the camper to attend. Campers are only eligible to register for camps within their correct age range. Camp programming options and buildings are as follows:

STEAM Camps: Joppa Hall

Kids in College Indoor Camps: Edgewood Hall, 2nd Floor

Kids in College Outdoor Camps: Field behind Darlington Hall

Culinary Camps: Edgewood Hall

Evening Camps: Edgewood Hall

ARRIVAL PROCEDURES

Due to the large public open environments of our camp and our concern for camper safety, we require that parents/guardians accompany campers to their designated arrival location and personally sign in their camper with a Camp Staff member for each scheduled day of in-person camps.

COVID-19 RESPONSE

All staff and campers will be monitored daily for COVID-19 symptoms via screening questions, temperature checks and symptom observations for Full Day and Evening camps. Before arriving to camp all staff and campers must complete an online COVID-19 screening questionnaire. If the answer to any of the screening questions is yes then that individual will not be allowed to attend camp until they have quarantined according to CDC guidance, received a negative COVID-19 test and/or have been cleared by a health care provider. Upon arrival to camp all staff and campers will have their temperature checked with a touchless thermometer.

Campers and staff members who are exposed to a confirmed COVID-19 diagnose at camp or outside of camp may not attend and in person camp until they have quarantined according to CDC guidelines, received a negative COVID-19 test and/or are cleared by a health care provider.

All staff and campers must practice physical distancing consistent with CDC recommendations at all times while attending an in-person camp. All staff and campers must wear a face covering at a minimum in accordance with CDC guidelines at all times while attending an in-person camp.

All in-person camp groups will be limited to 15 individuals including campers and staff. Campers and staff will not mix among groups throughout the week. Groups will be separated at all times during the camp week in different rooms or spaces. Shared spaces will be avoided if possible, but if not possible (i.e. bathroom) they will be cleaned between each groups' use.

DISMISSAL PROCEDURES

Due to the large public and open environments of our camp and our concern for camper safety, we require that parents/guardians sign out their camper with a Camp Staff member for each scheduled day of in-person camps. All individuals signing a camper out must be listed on the camper's authorized to pick up list and must have a valid photo ID (i.e. driver's license). Campers will not be dismissed to an adult without an ID.

INCLEMENT WEATHER

HCC reserves the right to cancel or end outdoor only camps early due to inclement weather. When outdoor only camps are dismissed early parents/guardians are expected to pick their camper up as soon as possible. Partial or full refunds will not be provided in the event that a camp day is canceled or a camp is dismissed early due to inclement weather.

LUNCH

Campers are required to bring their own lunch to camp daily for Full Day Camps. HCC recommends that campers bring a healthy lunch packed in a lunch box with a freezer pack to keep lunches fresh. HCC does not refrigerate camper lunches and will not re-heat camper lunches. We encourage parents/guardians to be mindful of packing lunches and try to avoid any peanut products due to allergy concerns.

OTC AND/OR PRESCRIPTION MEDICATION

HCC does not administer non-emergency medications to campers. If medication must be taken while the camper is on campus, the camper must receive authorization from a physician to self-administer the medication or a parent/guardian must come onto campus to administer the medication.

EMERGENCY MEDICATION

HCC will administer most emergency medication such as an EpiPen to campers. Parents/guardians are required to notify Camp Staff prior to the start of camp of their camper's need for emergency medication and confirm that the type of medication needed can be administered. A Medication Administration Form identifying the need for emergency medication must be completed by a physician and submitted to Camp Staff prior to the start of camp.

SNACK

HCC schedules a mid-morning and mid-afternoon snack and break for campers daily for full day camps. Campers are not permitted to purchase snacks or beverages from the vending machines. Campers must bring their own snacks from home. HCC does not provide snacks.

To view a complete list of all camp policies and procedures please review our Parent/Guardian Handbook.

June 21-25

STEAM CAMP (Joppa Hall)

Full Day: 8:30 AM-5:30 PM

AGE 11-13	LIGHTS, CURTAIN, ACTION (Blackbox Theater)	CODING THE BASICS (Room 007)
AGE 14-17	ART ACADEMY (Room 014)	CREATIVE WRITING WORKSHOP (Room 012)

KIDS IN COLLEGE

Full Day: 8:30 AM-5:30 PM | Weekly Theme: Summer Fun

AGE 6-10	KIDS IN COLLEGE (Outdoors Only)
AGE 6-10	KIDS IN COLLEGE (Edgewood Hall, 2nd Floor)

CULINARY CAMP (Edgewood Hall)

Full Day: 8:30 AM-5:30 PM

AGE 11-13	BAKEOLOGY (Room 159)

STEAM CAMPS

STEAM full-day camps will operate from 8:30 AM-5:30 PM at Harford Community College. Full-day camps are offered in a variety of subjects and are for campers ages 8-17. Campers attending a full-day camp will be required to wear a face covering and follow all additional COVID-19 protocols set forth by the College. These protocols can be viewed in the Camp Curiosity Parent/Guardian Handbook.

ADVANCED CODING

Interested in engineering or technology? Then this camp is for you! Learn the coding language Java and take a deep dive into the world of coding. Campers will work on programming projects throughout the week and develop problem-solving skills. Campers are required to bring the following supplies to camp daily: pencil and notebook.

Tuition: \$174 Fees: \$86

ART ACADEMY

Strengthen your skills working with a variety of materials, techniques and subject matter. Campers will work on individual projects of their choosing throughout the week with guided instruction from one of HCC's Fine Art instructors. Campers are required to bring the following supplies to camp daily: pencils, pens, scissors, glue, eraser and sketchbook. Additional supplies may be required depending on the camper's individual project.

Tuition: \$174 Fees: \$86

CODING THE BASICS

Interested in engineering or technology? Then this camp is for you! Learn the basics of the coding language Java. Campers will work on programming projects throughout the week and develop problem-solving skills. Campers are required to bring the following supplies to camp daily: pencil and notebook.

Tuition: \$174 Fees: \$86

CREATIVE WRITING WORKSHOP

This workshop fosters creativity, self-expression and excitement about writing. Campers will work on an individual writing piece of their choosing throughout the week with guided instruction and support from one of HCC's Writing instructors. Campers are required to bring the following supplies to camp daily: pencil and notebook.

Tuition: \$174 Fees: \$86

DANCE

In this camp, campers will work collaboratively in small groups to choreograph their own routine in a variety of styles and techniques. Technical and performance training provided by an HCC instructor. Campers are required to bring the following supplies to camp daily: pencil, notebook and appropriate clothing and shoes for dance style of their choosing.

Tuition: \$174 Fees: \$86

DIGITAL ANIMATION

Learn about the various types of digital animation during this camp. From hand drawn to vector to 3D, this camp will explore them all and teach campers how to use specific software to design their own animation. Campers are required to bring the following supplies to camp daily: pencil and notebook.

Tuition: \$174 Fees: \$86

LEADERS IN BUSINESS

In this camp, campers will learn and discuss a variety of business topics such as entrepreneurship, marketing, managing financials and the use of social media. Campers will work diligently throughout the week to develop their own unique business plan. Campers are required to bring the following supplies to camp daily: pencil and notebook.

Tuition: \$174 Fees: \$86

LIGHTS, CURTAIN, ACTION

Learn the craft of theater including staging, characterization, dramatic expression, costuming and scenery while developing your own play. The week concludes with a performance that will be recorded for family and friends! Campers may be asked to bring items from home to be used as scenery or costumes.

Tuition: \$174 Fees: \$86

MOBILE MOVIE MAKERS

Use technology such as a tablet, smart phone or computer to direct, shoot and edit your own film! Learn how to use various apps and software to add music, images and text to a short film. Campers must have access to their own tablet, smart phone or computer with video recording capabilities. Parents/guardians will be contacted before camp to assist with technology needs and share free apps and download software.

Tuition: \$174 Fees: \$86

MINECRAFT

Design your own world in Minecraft! Embark on new challenges daily and learn the basics such as creating unique objects, making maps and building 3D objects. Campers must come to camp with a pre-existing Minecraft account. Campers are required to bring the following supplies to camp daily: pencil and notebook.

Tuition: \$174 Fees: \$86

PHOTOGRAPHY

Learn the fundamentals of composition, color, design and lighting, how to use the different modes on your DSLR camera and create post production in Adobe Photoshop Bridge, Adobe Photoshop and Lightroom. Campers must bring their own DSLR camera to camp daily.

Tuition: \$174 Fees: \$86

POETRY & LYRIC WRITING

Express yourself in a unique way during this one-week camp. Learn various styles of poetry, research famous poets, understand the similarities and differences between poetry and lyrics, research ways artists develop their own lyrics and compose your own poem or song. Campers are required to bring the following supplies to camp daily: pencil, markers and a notebook.

Tuition: \$174 Fees: \$86

ROBLOX

Learn how to design your own world in ROBLOX using Lua (the programming language in ROBLOX). Create scripts, string variables, work with if/then functions and so much more! Campers must come to camp with a pre-existing ROBLOX account. Campers are required to bring the following supplies to camp daily: pencil and notebook.

Tuition: \$174 Fees: \$86

STEAM CHALLENGE

Science, Technology, Engineering, Art and Math: all these themes will be explored in this camp through fun independent and group challenges. Will you take HCC's STEAM Challenge? Campers are required to bring the following supplies to camp daily: pencil/pen, markers, scissors, glue and a notebook.

Tuition: \$174 Fees: \$86

SUMMER STRINGS

Engage in activities to strengthen your musical skills through small group sessions and rehearsals. The week concludes with a recorded concert performance that can be shared with family and friends. All string instruments are welcome to register. Wind instruments are not permitted at this time due to COVID-19. Campers are required to bring their own instrument to camp daily as well as a pencil and notebook.

Tuition: \$174 Fees: \$86

WRITING A GRAPHIC NOVEL

Begin writing your own graphic novel in this week-long camp. Learn how to generate ideas, create an outline, discover characters and so much more. Campers are required to bring the following supplies to camp daily: pencil/pen, markers and a notebook.

Tuition: \$174 Fees: \$86

KIDS IN COLLEGE

KIDS IN COLLEGE full-day camps will operate from 8:30 AM-5:30 PM at Harford Community College. Full-day camps are offered in a variety of subjects and are for campers ages 6-10. Campers attending a full-day camp will be required to wear a face covering and follow all additional COVID-19 protocols set forth by the College. These protocols can be viewed in the Camp Curiosity Parent/Guardian Handbook.

KIDS IN COLLEGE

Want a traditional full-day summer camp experience? Make memories with us this summer playing sports, crafting, completing science experiments and so much more! A new and exciting camp theme is offered weekly to keep things exciting. Campers ages 6-10 are welcome to register. Campers are required to bring the following supplies to camp daily: pencils, scissors, glue, crayons or markers and notebook.

Tuition: \$174 Fees: \$86

KIDS IN COLLEGE (Outdoors Only)

Want a traditional full-day summer camp experience? Make memories with us this summer outside playing sports, crafting, completing science experiments and so much more! A new and exciting camp theme is offered weekly to keep things exciting. This camp operates outdoors only. Campers ages 6-10 are welcome to register. Campers are required to bring the following supplies to camp daily: pencils, scissors, glue, crayons or markers and notebook.

Tuition: \$174 Fees: \$86

CULINARY CAMPS

CULINARY full-day camps will operate from 8:30 AM-5:30 PM at Harford Community College. Full-day camps are offered in a variety of subjects and are for campers ages 8-17. Campers attending a full-day camp will be required to wear a face covering and follow all additional COVID-19 protocols set forth by the College. These protocols can be viewed in the Camp Curiosity Parent/Guardian Handbook.

BAKEOLOGY

Learn to bake like a pro! Make muffins or cookies or pies, oh my! Take home delicious treats daily to share with family and friends. Campers are required to bring their own apron to camp daily.

Tuition: \$187 Fees: \$93

ITALIAN FOODS

Pizza, pasta, sauces and more! Join this camp to learn all about Italian cuisine. We will take a culinary journey to one of the most exciting regions of the world, so come ready to cook and eat! Campers are required to bring their own apron to camp daily.

Tuition: \$187 Fees: \$93

DINING AROUND THE WORLD

Take a culinary adventure around the world! Campers will explore different cuisines from Latin America to Thailand. Be prepared to try new and exciting dishes and explore a world of different ingredients. Campers are required to bring their own apron to camp daily.

Tuition: \$187 Fees: \$93

EVENING CAMPS

EVENING CAMPS will operate from 6-8 PM twice per week at Harford Community College. Evening camps are offered in a variety of academic subjects and are for campers ages 11-17. Campers attending an evening camp will be required to wear a face covering and follow all additional COVID-19 protocols set forth by the College. These protocols can be viewed in the Camp Curiosity Parent/Guardian Handbook.

ALGEBRA REFRESHER

Need additional support with algebra? Then this class is for you! Class topics covered include, but are not limited to, equations and functions, graphs of equations and functions, writing linear equations, linear inequalities, quadratic equations and functions, and probability and statistics. Camp meets in the evenings on Tuesdays and Thursdays from 6-8 PM. Campers are required to bring the following materials to camp daily: pencil, notebook, ruler and calculator. Campers ages 11-17 are welcome to register.

Tuition: \$67 Fees: \$33

GEOMETRY REFRESHER

Need additional support with geometry? Then this class is for you! Class topics covered include, but are not limited to, transformations in a plane, arc length and areas of sectors or circles, solving problems involving right triangles, 2D and 3D objects and expressing geometric properties with expressions. Camp meets in the evenings on Tuesdays and Thursdays from 6-8 PM. Campers are required to bring the following materials to camp daily: pencil, notebook, ruler and calculator. Campers ages 11-17 are welcome to register.

Tuition: \$67 Fees: \$33

COLLEGE & CAREER READINESS

Planning for your future and looking into your options? Then this class is for you! Class topics covered include, but are not limited to, college selection process, college application process, financial aid, preparing for a career, writing a resume and student life. Camp meets in the evenings on Tuesdays and Thursdays from 6-8 PM. Campers are required to bring the following materials to camp daily: pencil and notebook. Campers ages 14-17 are welcome to register.

Tuition: \$67 Fees: \$33

STUDY SKILLS & EXAM PREP

Need additional support learning how to study properly? Then this class is for you! Class topics covered include, but are not limited to, note-taking strategies, motivation and goal setting, concentration and avoiding procrastination and exam-taking strategies. Camp meets in the evenings on Tuesdays and Thursdays from 6-8 PM. Campers are required to bring the following materials to camp daily: pencil, notebook, ruler and calculator. Campers ages 11-17 are welcome to register.

Tuition: \$67 Fees: \$33
