Choose your adventure.

Welcome to Camp Curiosity!

We are pleased your camper will join us this summer for our programs that reflect emerging interests, such as Minecraft, ROBLOX, and digital animation. We’ve also added an assortment of academic evening camps and online camps in a variety of fun subjects. From delicious food creations, creative art projects, to outdoor adventures, Camp Curiosity offers something for everyone.

The College continues to offer high quality instruction for our Summer Camp Programs. Many of our talented instructors are HCC faculty or HCPS teachers. Your camper’s experience is guaranteed to be both tons of fun and memorable.

This catalog will assist you in understanding our Summer Camp offerings. Please also review our Parent/Guardian Handbook for camp-specific policies and procedures and do not hesitate to contact us with questions.

Best,

Kelly Pulaski

ENROLLMENT
All campers are required to enroll online via our online Registration Portal, Camp Minder in order to attend camp. Campers may enroll into a camp up to the Tuesday before the camp’s scheduled start date, if space is available. Parents/guardians must complete all enrollment paperwork online before camp begins in order for the camper to attend. Campers are only eligible to register for camps within their correct age range. Camp programming options and buildings are as follows:

STEAM Camps: Joppa Hall
Kids in College Indoor Camps: Edgewood Hall, 2nd Floor
Kids in College Outdoor Camps: Field behind Darlington Hall
Culinary Camps: Edgewood Hall
Evening Camps: Edgewood Hall

ARRIVAL PROCEDURES
Due to the large public open environments of our camp and our concern for camper safety, we require that parents/guardians accompany campers to their designated arrival location and personally sign in their camper with a Camp Staff member for each scheduled day of in-person camps.

COVID-19 RESPONSE
All staff and campers will be monitored daily for COVID-19 symptoms via screening questions, temperature checks and symptom observations for Full Day and Evening camps. Before arriving to camp all staff and campers must complete an online COVID-19 screening questionnaire. If the answer to any of the screening questions is yes then that individual will not be allowed to attend camp until they have quarantined according to CDC guidance, received a negative COVID-19 test and/or have been cleared by a health care provider. Upon arrival to camp all staff and campers will have their temperature checked with a touchless thermometer.

Campers and staff members who are exposed to a confirmed COVID-19 diagnose at camp or outside of camp may not attend and in person camp until they have quarantined according to CDC guidelines, received a negative COVID-19 test and/or are cleared by a health care provider.

All staff and campers must practice physical distancing consistent with CDC recommendations at all times while attending an in-person camp. All staff and campers must wear a face covering at a minimum in accordance with CDC guidelines at all times while attending an in-person camp.

All in-person camp groups will be limited to 15 individuals including campers and staff. Campers and staff will not mix among groups throughout the week. Groups will be separated at all times during the camp week in different rooms or spaces. Shared spaces will be avoided if possible, but if not possible (i.e. bathroom) they will be cleaned between each groups’ use.

DISMISSAL PROCEDURES
Due to the large public and open environments of our camp and our concern for camper safety, we require that parents/guardians sign out their camper with a Camp Staff member for each scheduled day of in-person camps. All individuals signing a camper out must be listed on the camper’s authorized to pick up list and must have a valid photo ID (i.e. driver’s license). Campers will not be dismissed to an adult without an ID.

INCLEMENT WEATHER
HCC reserves the right to cancel or end outdoor only camps early due to inclement weather. When outdoor only camps are dismissed early parents/guardians are expected to pick their camper up as soon as possible. Partial or full refunds will not be provided in the event that a camp day is canceled or a camp is dismissed early due to inclement weather.

LUNCH
Campers are required to bring their own lunch to camp daily for Full Day Camps. HCC recommends that campers bring a healthy lunch packed in a lunch box with a freezer pack to keep lunches fresh. HCC does not refrigerate camper lunches and will not reheat camper lunches. We encourage parents/guardians to be mindful of packing lunches and try to avoid any peanut products due to allergy concerns.

OTC AND/OR PRESCRIPTION MEDICATION
HCC does not administer non-emergency medications to campers. If medication must be taken while the camper is on campus, the camper must receive authorization from a physician to self-administer the medication or a parent/guardian must come onto campus to administer the medication.

EMERGENCY MEDICATION
HCC will administer most emergency medication such as an EpiPen to campers. Parents/guardians are required to notify Camp Staff prior to the start of camp of their camper’s need for emergency medication and confirm that the type of medication needed can be administered. A Medication Administration Form identifying the need for emergency medication must be completed by a physician and submitted to Camp Staff prior to the start of camp.

SNACK
HCC schedules a mid-morning and mid-afternoon snack and break for campers daily for full day camps. Campers are not permitted to purchase snacks or beverages from the vending machines. Campers must bring their own snacks from home. HCC does not provide snacks.

To view a complete list of all camp policies and procedures please review our Parent/Guardian Handbook.
June 21-25

**STEAM CAMP** *(Joppa Hall)*

Full Day: 8:30 AM–5:30 PM

| Age 11-13 | Lights, Curtain, Action (Blackbox Theater) | Coding The Basics (Room 007) |

STEAM CAMPS

STEAM full-day camps will operate from 8:30 AM-5:30 PM at Harford Community College. Full-day camps are offered in a variety of subjects and are for campers ages 8-17. Campers attending a full-day camp will be required to wear a face covering and follow all additional COVID-19 protocols set forth by the College. These protocols can be viewed in the Camp Curiosity Parent/Guardian Handbook.

ADVANCED CODING
Interested in engineering or technology? Then this camp is for you! Learn the coding language Java and take a deep dive into the world of coding. Campers will work on programming projects throughout the week and develop problem-solving skills. Campers are required to bring the following supplies to camp daily: pencil and notebook.

Tuition: $174 Fees: $86

ART ACADEMY
Strengthen your skills working with a variety of materials, techniques and subject matter. Campers will work on individual projects of their choosing throughout the week with guided instruction from one of HCC's Fine Art instructors. Campers are required to bring the following supplies to camp daily: pencils, pens, scissors, glue, eraser and sketchbook. Additional supplies may be required depending on the camper's individual project.

Tuition: $174 Fees: $86

CODING THE BASICS
Interested in engineering or technology? Then this camp is for you! Learn the basics of the coding language Java. Campers will work on programming projects throughout the week and develop problem-solving skills. Campers are required to bring the following supplies to camp daily: pencil and notebook.

Tuition: $174 Fees: $86

CREATIVE WRITING WORKSHOP
This workshop fosters creativity, self-expression and excitement about writing. Campers will work on an individual writing piece of their choosing throughout the week with guided instruction and support from one of HCC’s Writing instructors. Campers are required to bring the following supplies to camp daily: pencil and notebook.

Tuition: $174 Fees: $86

DANCE
In this camp, campers will work collaboratively in small groups to choreograph their own routine in a variety of styles and techniques. Technical and performance training provided by an HCC instructor. Campers are required to bring the following supplies to camp daily: pencil, notebook and appropriate clothing and shoes for dance style of their choosing.

Tuition: $174 Fees: $86

DIGITAL ANIMATION
Learn about the various types of digital animation during this camp. From hand drawn to vector to 3D, this camp will explore them all and teach campers how to use specific software to design their own animation. Campers are required to bring the following supplies to camp daily: pencil, notebook and markers.

Tuition: $174 Fees: $86

LEADERS IN BUSINESS
In this camp, campers will learn and discuss a variety of business topics such as entrepreneurship, marketing, managing financials and the use of social media. Campers will work diligently throughout the week to develop their own unique business plan. Campers are required to bring the following supplies to camp daily: pencil and notebook.

Tuition: $174 Fees: $86

LIGHTS, CURTAIN, ACTION
Learn the craft of theater including staging, characterization, dramatic expression, costuming and scenery while developing your own play. The week concludes with a performance that will be recorded for family and friends! Campers may be asked to bring items from home to be used as scenery or costumes.

Tuition: $174 Fees: $86

MOBILE MOVIE MAKERS
Use technology such as a tablet, smartphone or computer to direct, shoot and edit your own film! Learn how to use various apps and software to add music, images and text to a short film. Campers must have access to their own tablet, smartphone or computer with video recording capabilities. Parents/guardians will be contacted before camp to assist with technology needs and share free apps and download software.

Tuition: $174 Fees: $86

Minecraft
Design your own world in Minecraft! Embark on new challenges daily and learn the basics such as creating unique objects, making maps and building 3D objects. Campers must come to camp with a pre-existing Minecraft account. Campers are required to bring the following supplies to camp daily: pencil and notebook.

Tuition: $174 Fees: $86

PHOTOGRAPHY
Learn the fundamentals of composition, color, design and lighting, how to use the different modes on your DSLR camera and create post production in Adobe Photoshop Bridge, Adobe Photoshop and Lightroom. Campers must bring their own DSLR camera to camp daily.

Tuition: $174 Fees: $86

POETRY & LYRIC WRITING
Express yourself in a unique way during this one-week camp. Learn various styles of poetry, research famous poets, understand the similarities and differences between poetry and lyrics, research ways artists develop their own lyrics and compose your own poem or song. Campers are required to bring the following supplies to camp daily: pencil, markers and a notebook.

Tuition: $174 Fees: $86

ROBLOX
Learn how to design your own world in ROBLOX using Lua (the programming language in ROBLOX). Create scripts, string variables, work with if/then functions and so much more! Campers must come to camp with a pre-existing ROBLOX account. Campers are required to bring the following supplies to camp daily: pencil and notebook.

Tuition: $174 Fees: $86

STEAM CHALLENGE
Science, Technology, Engineering, Art and Math: all these themes will be explored in this camp through fun independent and group challenges. Will you take HCC’s STEAM Challenge? Campers are required to bring the following supplies to camp daily: pencil/pen, markers, scissors, glue and a notebook.

Tuition: $174 Fees: $86

SUMMER STRINGS
Engage in activities to strengthen your musical skills through small group sessions and rehearsals. The week concludes with a recorded concert performance that can be shared with family and friends. All string instruments are welcome to register. Wind instruments are not permitted at this time due to COVID-19. Campers are required to bring their own instrument to camp daily as well as a pencil and notebook.

Tuition: $174 Fees: $86

WRITING A GRAPHIC NOVEL
Begin writing your own graphic novel in this week-long camp. Learn how to generate ideas, create an outline, discover characters and so much more. Campers are required to bring the following supplies to camp daily: pencil/pen, markers and a notebook.

Tuition: $174 Fees: $86
**KIDS IN COLLEGE**

Full-day camps will operate from 8:30 AM-5:30 PM at Harford Community College. Full-day camps are offered in a variety of subjects and are for campers ages 6-10. Campers attending a full-day camp will be required to wear a face covering and follow all additional COVID-19 protocols set forth by the College. These protocols can be viewed in the Camp Curiosity Parent/Guardian Handbook.

**KIDS IN COLLEGE**

Want a traditional full-day summer camp experience? Make memories with us this summer playing sports, crafting, completing science experiments and so much more! A new and exciting camp theme is offered weekly to keep things exciting. Campers ages 6-10 are welcome to register. Campers are required to bring the following supplies to camp daily: pencils, scissors, glue, crayons or markers and notebook.

*Tuition: $174  Fees: $86*

**KIDS IN COLLEGE (Outdoors Only)**

Want a traditional full-day summer camp experience? Make memories with us this summer outside playing sports, crafting, completing science experiments and so much more! A new and exciting camp theme is offered weekly to keep things exciting. This camp operates outdoors only. Campers ages 6-10 are welcome to register. Campers are required to bring the following supplies to camp daily: pencils, scissors, glue, crayons or markers and notebook.

*Tuition: $174  Fees: $86*

**CULINARY CAMPS**

Full-day camps will operate from 8:30 AM-5:30 PM at Harford Community College. Full-day camps are offered in a variety of subjects and are for campers ages 8-17. Campers attending a full-day camp will be required to wear a face covering and follow all additional COVID-19 protocols set forth by the College. These protocols can be viewed in the Camp Curiosity Parent/Guardian Handbook.

**BAKEOLOGY**

Learn to bake like a pro! Make muffins or cookies or pies, oh my! Take home delicious treats daily to share with family and friends. Campers are required to bring their own apron to camp daily.

*Tuition: $187  Fees: $93*

**DINING AROUND THE WORLD**

Take a culinary adventure around the world! Campers will explore different cuisines from Latin America to Thailand. Be prepared to try new and exciting dishes and explore a world of different ingredients. Campers are required to bring their own apron to camp daily.

*Tuition: $187  Fees: $93*

**ITALIAN FOODS**

Pizza, pasta, sauces and more! Join this camp to learn all about Italian cuisine. We will take a culinary journey to one of the most exciting regions of the world, so come ready to cook and eat! Campers are required to bring their own apron to camp daily.

*Tuition: $187  Fees: $93*
ONLINE CAMPS

ONLINE CAMPS will operate from 10-11 AM or 1-2 PM via Microsoft Teams. Online camps are offered in a variety of subjects and are for campers ages 6-13. Campers attending an online camp will be required to provide their own materials for camp.

ABSTRACT DRAWING
In this camp, campers will create colorful abstract drawings using marker, pen and other drawing mediums. Campers will learn to use shape, line, color, texture & layering for imaginative and innovative designs. Campers are required to provide their own materials for camp. Campers will receive a materials list prior to the beginning of camp. Materials list will include, but is not limited to, paper, colored pencils, markers, pens and various other art supplies.

Tuition: $46 Fees: $21

ART EXPLORERS
Use your creativity to explore and experiment with different art forms. Draw, construct or create your next unique project! Campers are required to provide their own materials for camp. Campers will receive a materials list prior to the beginning of camp. Materials list will include, but is not limited to, paper, colored pencils, scissors, glue, tin foil, cardboard and various other art supplies.

Tuition: $46 Fees: $21

BAKEOLOGY
Learn to bake like a pro! Make muffins or cookies or pies, oh my! Bake delicious treats daily to share with family and friends. Campers are required to provide their own materials for camp. Campers will receive a materials list prior to the beginning of camp. Materials list will include various items found in most grocery stores.

Tuition: $46 Fees: $21

CRAFTY CREATIONS
Use your creativity to complete various craft projects throughout the week. Draw, design, glue or color your next masterpiece! Campers are required to provide their own materials for camp. Campers will receive a materials list prior to the beginning of camp. Materials list will include, but is not limited to, paper, colored pencils, scissors, glue, tin foil, cardboard and various other art supplies.

Tuition: $46 Fees: $21

DIY INSTRUMENTS
Do you like to rock and roll, but don't have any instruments at home? Well, you're in luck because in this camp we will be creating our own instruments out of materials we have at home! At the end of the day, campers will have their very own homemade instruments they can jam out on all day long! Campers are required to provide their own materials for camp. Campers will receive a materials list prior to the beginning of camp. Materials list will include, but is not limited to, recyclable items, rubber bands, straws, paper plates, glue and various other art supplies.

Tuition: $46 Fees: $21

DRAWING CHARACTERS
Learn to draw using basic shapes that make up people and animals. Campers are required to provide their own materials for camp. Campers will receive a materials list prior to the beginning of camp. Materials list will include, but is not limited to, paper, colored pencils, markers, pens and various other art supplies.

Tuition: $46 Fees: $21

FRIENDSHIP BRACELETS
Even though we are apart, we can still be connected by creating beautiful friendship bracelets! In this camp, campers will learn how to make friendship bracelets to be shared with the people they love the most! So, grab some string, put on a smile, and let's get started! Campers are required to provide their own materials for camp. Campers will receive a materials list prior to the beginning of camp. Materials list will include, but is not limited to, string, tape and ruler.

Tuition: $46 Fees: $21

FOOD LAB
Understand chemical reactions by becoming a Food Lab Scientist. Mix, pour, stir and observe edible creations daily. Campers are required to provide their own materials for camp. Campers will receive a materials list prior to the beginning of camp. Materials list will include various items found in most grocery stores.

Tuition: $46 Fees: $21

ILLUSTRATING WITH PEN & INK
In this camp, campers will learn to use pen and ink to create art. Campers will use line, hatching, crosshatching and textural techniques to show values of shadows and highlights in objects. Campers will receive a materials list prior to the beginning of camp. Materials list will include, but is not limited to, paper, colored pencils, markers, pens and various other art supplies.

Tuition: $46 Fees: $21

ITALIAN FOODS
Pizza, pasta, sauces and more! Join this camp to learn all about Italian cuisine from home. Campers will take a culinary journey to one of the most exciting regions of the world, so come ready to cook and eat! Campers are required to provide their own materials for camp. Campers will receive a materials list prior to the beginning of camp. Materials list will include various items found in most grocery stores.

Tuition: $46 Fees: $21

MOBILE MOVIE MAKERS
Use technology such as a tablet, smart phone or computer to direct, shoot and edit your own film! Learn how to use various apps and software to add music, images and text to a short film. Campers must have access to their own tablet, smart phone or computer with video recording capabilities. The instructor will contact parents/guardians the week before camp to assist with technology needs and share free apps and software to download in preparation of the camp.

Tuition: $46 Fees: $21

SPIES & DETECTIVES
Can you crack the code or solve the clues? Use your spy and detective skills to solve a mystery daily! Campers are required to provide their own materials for camp. Campers will receive a materials list prior to the beginning of camp. Materials list will include, but is not limited to, paper, pencil, crayons, scissors and glue.

Tuition: $46 Fees: $21

THE WONDERS OF FOOD
In this camp, campers will explore the wonders of food. Campers will create structures and explore science concepts using food. Campers will also learn how to properly conduct scientific experiments using food. Campers may need assistance using a microwave, making basic cooking measurements, and conducting food science experiments. Using a combination of campers completing activities independently and with the assistance of an adult at home, the goal of this camp is to explore how science and food are related. Campers are required to provide their own materials for camp. Campers will receive a materials list prior to the beginning of camp. Materials list will include, but is not limited to, jellybeans, apples, marshmallows and M&M's.

Tuition: $46 Fees: $21
**EVENING CAMPS**

**EVENING CAMPS** will operate from 6-8 PM twice per week at Harford Community College. Evening camps are offered in a variety of academic subjects and are for campers ages 11-17. Campers attending an evening camp will be required to wear a face covering and follow all additional COVID-19 protocols set forth by the College. These protocols can be viewed in the Camp Curiosity Parent/Guardian Handbook.

---

**ALGEBRA REFRESHER**

Need additional support with algebra? Then this class is for you! Class topics covered include, but are not limited to, equations and functions, graphs of equations and functions, writing linear equations, linear inequalities, quadratic equations and functions, and probability and statistics. Camp meets in the evenings on Tuesdays and Thursdays from 6-8 PM. Campers are required to bring the following materials to camp daily: pencil, notebook, ruler and calculator. Campers ages 11-17 are welcome to register.

**Tuition:** $67  **Fees:** $33

---

**GEOMETRY REFRESHER**

Need additional support with geometry? Then this class is for you! Class topics covered include, but are not limited to, transformations in a plane, arc length and areas of sectors or circles, solving problems involving right triangles, 2D and 3D objects and expressing geometric properties with expressions. Camp meets in the evenings on Tuesdays and Thursdays from 6-8 PM. Campers are required to bring the following materials to camp daily: pencil, notebook, ruler and calculator. Campers ages 11-17 are welcome to register.

**Tuition:** $67  **Fees:** $33

---

**COLLEGE & CAREER READINESS**

Planning for your future and looking into your options? Then this class is for you! Class topics covered include, but are not limited to, college selection process, college application process, financial aid, preparing for a career, writing a resume and student life. Camp meets in the evenings on Tuesdays and Thursdays from 6-8 PM. Campers are required to bring the following materials to camp daily: pencil and notebook. Campers ages 14-17 are welcome to register.

**Tuition:** $67  **Fees:** $33

---

**STUDY SKILLS & EXAM PREP**

Need additional support learning how to study properly? Then this class is for you! Class topics covered include, but are not limited to, note-taking strategies, motivation and goal setting, concentration and avoiding procrastination and exam-taking strategies. Camp meets in the evenings on Tuesdays and Thursdays from 6-8 PM. Campers are required to bring the following materials to camp daily: pencil, notebook, ruler and calculator. Campers ages 11-17 are welcome to register.

**Tuition:** $67  **Fees:** $33
