Historic Alexandria

Alexandria, VA  
Wednesday, October 3 | 7:15 AM–7 PM  

**Course: 45438  Cost: $129**

Enjoy a day in Old Town Alexandria, VA, a city full of history and beauty. Our first stop is a guided tour of Christ Church, a place where both George Washington and Robert E. Lee worshipped. Next is a visit to the Torpedo Factory Art Center where you can talk to some of the artists if you like. This unique center was a munitions factory during World War II. Then enjoy a three-course lunch with a glass of wine at the Wharf, a restaurant on historic King Street whose building dates to the 1790s. After a house salad, choose one of these entrees: Gulf shrimp with garlic butter served over linguini, shrimp-scallop au gratin (baked in cream with parmesan and Gruyere) served with French fries, sautéed chicken piccata served with saffron rice, or grilled filet of beef with cracked peppercorn and mushroom sauce served with French fries. Dessert will be a raspberry white chocolate bread pudding. Explore King Street on your own after lunch, then move on to the Potomac waterfront to board a water taxi with both inside and outside seating to cross the river. You will pass under the Woodrow Wilson bridge on your way to the National Harbor where you will board our coach for the trip back to Harford County. Please make entrée selections on the liability form when registering. Escorted by Tom Meyer.
