Presidential Search Committee Update

July 27, 2020

The Harford Community College Presidential Search Committee met virtually on July 23rd. Gene Head from Diversified Search joined the meeting and provided an update on the candidate pool, noting that we have had a tremendous response to our posting for the president's position. The committee will meet again in August to begin reviewing candidates, and plans to hold first-round interviews during the weeks of August 24th and 31st.
